

Competence in Surface Transport

NISHA ROADWAYS PVT. LTD.

From a humble beginning in 1982, we are now nationally recognised as one of the leading road transport operators in the country.

We offer a comprehensive range of distribution services and pride ourselves in providing a high quality service with experienced drivers and an excellent company safety record. We operate a fleet of vehicles that travel the length and breadth of the country daily. We aim to provide the highest standards in logistic solutions at competitive prices.

Our experience, commitment and determination to succeed will ensure that your business receives the best possible transport and delivery service available.

We provide a wide variety of services regardless of whether your need is large or small.

Transport: 24 hours a day, 7 days a week, 52 weeks a year, our phone lines are open to ensure that your cargo is collected and delivered on time and within your budget.

Storage: We provide cost effective contract and public warehousing. In addition to providing you with effective solutions for all your logistic requirements, we constantly seek ways to develop the services we offer.

Technology: We invest in most modern technology and have full range of equipment to create a quality transportation service product for today and future. Our

vehicles have been fitted with tracking system to maintain efficiency and ensure deliveries in time.

People: We invest in our people too. Our entire team right from the drivers to the top management imbibes the core value of fulfilling customers' requirements and expectations. Our team is conditioned to go the extra mile to ensure our customers' peace of mind.

We offer the reliability and knowledge of a large company with the friendliness of a small business. Over 25 years we have continued to grow larger and stronger, whilst maintaining the personal touch with our customers.

"Our primary aim is to continue to attract new customers by providing the highest levels of service and reliability at all times. We also aim at giving personal attention to all our valued customers".

W e P r o m i s e

"At NRPL, we believe in providing professional and quality service and undertake to maintain the best practices at all times. We will make certain that we deploy well equipped, modern vehicles and the latest technology to ensure that our customers' needs are catered at every step of the way, to their utmost requirement and total satisfaction. We will aim to exceed our customers' expectations.

We will provide Proof of Delivery immediately and will return all customer paperwork within 48 hrs of each completed assignment. We will keep our customers informed of any enforcing delays encountered or of any problems if they arise. We will offer a solution to problems rather than simply standing back and letting you cope alone."

C u s t o m e r A p p r e c i a t i o n s

“ We hereby confirm that Nisha Roadways has been providing transport services to CMA-CGM from Navasheva and Mundra to various ICDS for several years.

The service levels that have been provided to CMA CGM so far has been of very high standards and we are fully satisfied with their reporting system as well.

We would wish Nisha Roadways the very best in their future activities. ”

Kamal Wijayasinghe
CMA CGM Group

“ NRPL has been providing us transportation services from various parts of the country. Their services are of top quality. They fulfill their commitments by delivering the consignments on time. We look forward to continue and strengthen our longstanding business relation with them and wish them luck in their future developments ”.
